It is with great pride that I welcome you, on behalf of Atlantic University Sport and all our member institutions, to the 2025 Bell AUS Basketball Championships, presented by G-Series.

This marks my 26th and final AUS Basketball Championship, and what an incredible journey it has been.

Serving the 6,240 participants—athletes, coaches, and support staff—has been a true honour. The growth of this event has been nothing short of remarkable, much of which can be attributed to the unwavering support of our fans. Their dedication, year after year, has helped elevate these student-athletes and this championship to new heights. One of the proudest moments of my career was bringing our women's basketball athletes to the Scotiabank

Centre, where they showcased their remarkable talents, captivating fans and inspiring interest in university basketball.

While there is so much to reflect on, I want to take a moment to extend a heartfelt THANK YOU to the supporters and fans who have made this event so special. Your passion, energy, and enthusiasm have been my driving force throughout the years. It's because of you that we've been able to uphold the integrity of this iconic event in Canadian university sport. Simply put, we couldn't do it without you.

To the student-athletes who have earned the privilege to compete at the Scotiabank Centre this weekend, congratulations. Your commitment, both in the classroom and on the court, is inspiring. You set a high standard for future generations of student-athletes, and I commend you for being role models in your communities.

I would also like to express my sincere gratitude to our partners, Bell, our title partner, and G-Series, our presenting partner, as well as all our other major and supporting event sponsors. Your dedication makes it possible for us to continually enhance this extraordinary event.

A special thank you goes to our organizing committee and volunteers. Your tireless efforts ensure that these student-athletes have the platform to shine and create unforgettable memories. Your contributions are invaluable, and we are deeply grateful.

As I reflect on my time as the AUS conference lead, I am filled with incredible memories. It has been an honour to work alongside such passionate, dedicated individuals, both regionally and nationally.

Serving student-athletes for as long as I have has been a privilege, and I am forever grateful for the opportunity to be a part of this amazing journey.
